

# THE WEATHER

AN ARTISTS' EDITION #2, MAY 10-11, 2025 (SEATTLE)

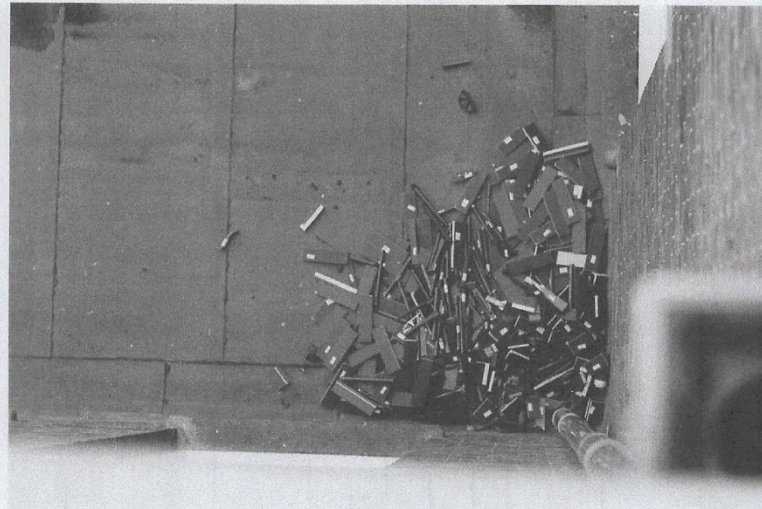

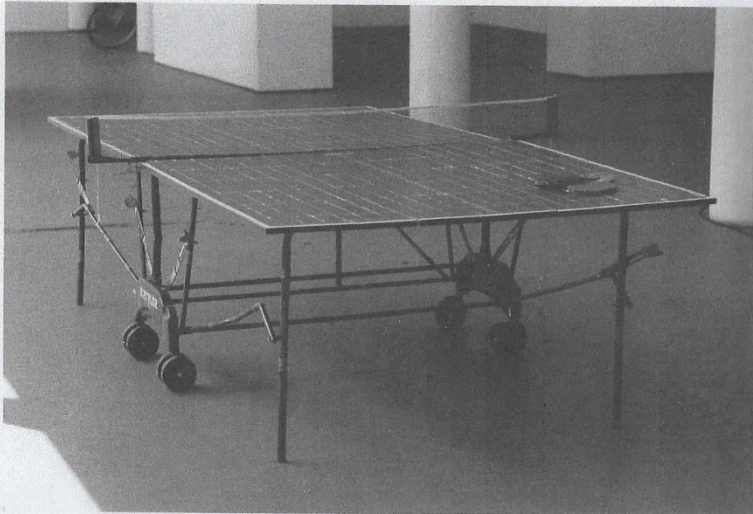

In *Yoko* (video loop, 26", 2020), the storm that's about to hit the northwestern coast looks like Yoko Ono, the artist

MAKE YOUR OWN RAIN

This ping pong table has been sown through a rain gutter (from *Ping Pong* , 2010)

# Rainoscope

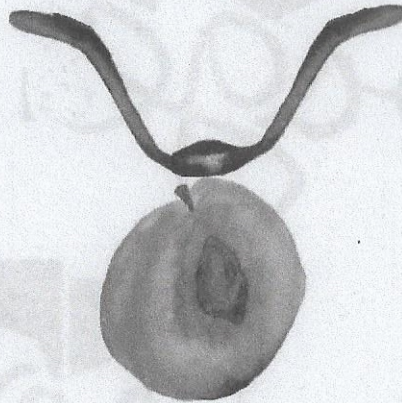

---

APRIL 20

TAURUS

MAY 20

---

**Work** The strong-headed Taurus is in the service of its numerous inhabitants, its horns acting as lightning rod for them

**Relationships** The constellation of the Taurus is made up of 4 stars above magnitude 3 which, wrapped in their nebula, look as if a myriad of stars was showering down on them

**Money** The most handsome of fortunes is not about millions of dollars being made but about following the rain or running away from it, as the stars will know
